Free ebook On the Board

Get our new free ebook, this week only over at Smashwords before it goes live everywhere!

This is a collection of proverbs, quotes, riddles, and brainteasers and other fun stuff I've curated over the years. Put one up on the board and get students thinking and working. It's the perfect no-prep warmup, do-now, bell-ringer, filler, or fast-finisher activity.

To learn more, check out the book page. Then head over to Smashwords and download it for free in any ebook format you can imagine!
